

Confirmation

Based on the business management contract for *product responsibility* and the associated appointment of an authorised representative according to the Product Safety Act (ProdSG) in accordance with Sect. 2 No. 6 ProdSG, confirms

get-e-right GmbH,

to act as an authorized representative according to the ProdSG in Germany for the product of the following company listed below:

XXXX GmbH

Brand Name:

Type of Product:

Product name:

Product-ID:

End of Validity:

The manufacturer can place the above-mentioned product on the market in the Federal Republic of Germany with reference to get-e-right as an authorised representative until it has informed get-e-right about the last placement of the above-mentioned product on the market, or the business management contract between it and get-e-right has been terminated by one of the contracting parties. After this point in time, no other of the above-mentioned products are to be placed on the market with reference to get-e-right as an authorised representative within the sense of the ProdSG. The total duration of the authorisation according to the ProdSG is independent of this. The end of the authorization can be viewed at www.get-e-right.de.

Name

Date: XX.XX.XXXX

Note:

This confirmation does not establish any additional rights and obligations between the manufacturer and get-e-right or towards their customers. It is only used by the manufacturer, when needed, for communication purposes with commercial customers of the products.
